GCSE POST RESULTS SERVICES SUMMER 2017

There are a number of services which may be requested following the issue of results. Please consider carefully your request and discuss the rationale of this with your subject teacher/Head of Department and your parents. There is a charge by each awarding body for all post-results services. You will be required to pay the fee before the service is processed.

Enquiries about Results (EARs)

Service 1 - Clerical check

Service 2 - Review of marking (externally assessed components only)

Service 2 - Review of marking (externally assessed components only with photocopy of script)

Service 2P - Priority review of marking (only available for Pearson/Edexcel exams)

There are three possible outcomes from an EAR:

- Your original mark is lowered, so your final grade may be lower than the original grade you received;
- Your original mark is confirmed as correct, so there will be no change to your result;
- Your original mark is raised, so your final grade may be higher than the original grade you received.

Access to Scripts (ATS)

You may request your script to see how you performed in the examination

ATSO - Original Script

ATSC - Copy of script

The costs relating to the services outlined above are given overleaf. Please note that these charges relate to individual components/modules/units

All post result queries must be confirmed and processed with the Examinations Officer and applications will not be processed without the necessary form being filled in and payments made. Payment can be made via parent pay, or by cash/cheque (cheques made payable to Ousedale School).
