ANTI-RACISM STATEMENT

ANTI-RACISM STATEMENT

Racial harassment is the verbal or physical abuse of individuals or groups because of their colour, race, nationality, ethnic or religious origins.

Any such behaviour will not be accepted or tolerated within our school.

We, as a school community, will endeavour to work towards the elimination of racism by challenging ourselves, those around us and the community in which we live.

We are committed to educate others, raise awareness, show appreciation and respect for people's cultural background through the Gospel values of Faith, Hope, Charity and Love.
