Learning Resources

BTEC National Business Student Book 1

Resources can also be found on [google.classroom.com](https://www.google.com/classroom)

Learning Strategies

Flash cards of key terms; look, cover, right and check. Complete past papers. Practice controlled assessment. Applying knowledge learnt to portfolio units, the controlled assessment and the external examination. Meet deadlines.

Independent study

Carry out research on specific scenarios currently studying. Continue with portfolio assignment briefs. Revision for the external examination in Jan 2017. Practice controlled assessment scenarios. Read through class notes, create revision cards etc.

Use your calendar to plan in your additional work, you must keep on top of your coursework! You must use Google docs to receive up to date feedback.

Come to find us in the vocational office for any queries or questions.
