

BTEC Sport

Web link

<https://qualifications.pearson.com/content/dam/pdf/BTEC-Nationals/Sport/2010/Specification/BN029829-BTEC-90-credit-Sport-L3-Issue2.pdf>

The students all have access to the Specification via the S; Drive (Shared Area) as well as links directly to the Unit Content, specification for each Unit, from their Student Interface.

There is also access to the Unit Content of the 4 Mandatory units in the student's handbook given to the students on the first day of starting the course.

Learning Resources

In the official Edexcel BTEC Sport Level 3 textbooks (<https://www.amazon.co.uk/BTEC-Level-National-Sport-Book/dp/1846906512> and <https://www.amazon.co.uk/BTEC-Level-National-Sport-Book/dp/1846906504>), students have access to the specific units from the textbook through links on their Student Interface. Additional resources are collated on the shared area and via links on their Student Interface.

Additional resources are collated on the shared area and via links on their Student Interface.

Learning Strategies

Reading the units in the BTEC Sport textbook; download the specification; reading over class notes after each lesson; accessing past exemplar assignment work to understand the differences

between Pass, Merit and Distinction standard work; research using recommended web sources to read around the topic area.

Writing Long Answer Questions

However, students are given time to look over and read, and analyse Pass, Merit and Distinction work and to look at what you need to include in an assignment for it to meet the Merit or Distinction criteria in order to push themselves to achieve their Target Grades and beyond.

Independent Study

Reading around the subject area using the official BTEC Sport textbook; utilising their study periods to work on the assessment criteria; asking for support and feedback on their work to ensure they are meeting the assignment brief, aiming to complete each assignment the first time; using intervention sessions to complete resubmissions/assignment work; attending catch-up sessions between May and July in the run-up to the end of year.
