Dear Parents/Carers

Following a successful application for funding to improve safety and security on the school site, over the last year we have installed a security fence around the school site, improved parking and drop-off facilities and installed CCTV at key locations.

The Governing Body have recently approved a CCTV Policy and Procedures for its use. These documents can be found on the school website <http://www.backwellschool.net/governorspolicies>.

Yours sincerely

Julian Baldwin
Headteacher
