Dear Parents/Carers

Year 12 A Level Geography Field Equipment

As you are aware your son/daughter will be carrying out an individual investigation as part of their A level geography course. Over the last few weeks they have been developing their investigation titles and methods of data collection. To collect their data they may require some equipment to assist them, some of which can be sourced from home or through other means.

Within the geography department we have a **limited** amount of equipment that can be loaned out. We would require a **deposit of £30** for any equipment loans. The deposit would be refunded once items have been returned, with the expectation that items are returned in the same state they were loaned out.

Items that can be loaned include:

- Tape measures
- Clinometers
- Infiltrimeters
- Thermometers
- PH meters
- Light & moisture meters
- Humidity meters

To secure an equipment loan, payments of £30 should be made via ParentPay the school's online cashless payment system **by Monday, 23rd July**. If you have any problems accessing the service, please contact the Finance Team on 01275 465941.

With a deposit secured your son/daughter can sign out the required equipment from **13.00 pm in Q1 on Tuesday, 24 July** for use over the summer holidays.

Yours sincerely

C Stubbs
Subject leader of Geography
