March 2019

Dear Parent/Carer

Year 10 GCSE Geography Fieldwork

You will remember that earlier this month a decision was made to postpone two of the Year 10 Geography field trips to the River Holford in the Quantocks due to poor weather conditions. We are now able to confirm the revised dates as follows:

Tuesday 21 May - classes of Mr Sales and Mrs Turner

Wednesday 22 May – classes of Mrs George, Mr Hooker and Mr Sills

We will travel to the Quantocks by coach departing from the school coach park at 9.00 am and returning to school by around 3.15 pm.

Each student should come to school dressed appropriately for a day in the hills. In particular, they will need waterproof and windproof outerwear and stout shoes for walking. In addition, they need to bring a packed lunch and normal writing materials. A clipboard on which to rest his/her worksheets would be useful.

The geography staff attending each trip will carry with them parent/carer emergency contact numbers and any student medical details. This information will be taken from the school database. If your details change before the trip, please email the school in order for your records to be updated at mailbox@backwellschool.net.

In the meantime, if you have any further questions, please feel free to contact me via mailbox@backwellschool.net

Yours sincerely

C Stubbs
Subject leader of Geography
