March 2019

Dear Parent/Carer,

Geography Summer Examination Revision Support Materials 2019

The Backwell School Geography department are offering the opportunity to purchase some key materials in preparation for the upcoming summer examinations.

There are three examination papers; Paper 1: Physical Geography, Paper 2: Human Geography and Paper 3: Geographical Applications. In order to support students in preparing for these, we have produced seven high-quality, colour, double sided, knowledge organiser posters to support each of the six physical and human topics, as well as a fieldwork knowledge organiser for paper 3. Together with these there is a tailored colour case study booklet to match the examples and case studies that we have been studying throughout the course.

These resources will be available to order at a cost of £3.00 in total, via Parent Pay. They will then be available to collect from your child's class teacher shortly after ordering. We feel that they provide a useful revision resource and will help with the start of a thorough revision programme in conjunction with the use of students' own notes, revision guides and online resources available. Please make sure all orders are placed before **Wednesday 20 March**.

The resources described above will also be uploaded to Frog and you have the opportunity to download them and print them off yourself.

Yours sincerely

C Turner
Deputy head of Geography
