The dates for the trip are, Monday 10 June 2019 to Friday 14 June 2019

If you would like to accept this place please pay the initial deposit by **Friday 12 October**
Places not taken up by this date will be offered to a student on the waiting list.

Waiting Lists

If Osmington Bay is not your child's first choice, they are automatically placed on a waiting list. The Enrichment Team will contact you if an opportunity arises for a swap to be made during the year.

Deposits and Instalments

The total cost of the trip is £447 including school trip insurance. A first non-refundable deposit of £60 is required by **Friday 12 October**. A second non-refundable deposit of £50 is then required by Friday 9 November.

Once both deposits have been paid, a monthly instalment plan will be made available on ParentPay. Instalments finish on 1 April 2019. All our residential trips are booked through specialist companies and this means that you are committed to making regular payments throughout the year. Please see the payment schedule set out in the Terms and Conditions.

Payments should be made via ParentPay, the school's online cashless payment system. If you have any problems accessing the service, please contact the Finance department at school. Alternatively you may telephone the Enrichment Team on 01275 465942 to make a card payment.

Financial Assistance

If you are in receipt of Pupil Premium funding, Child Tax Credit, or Universal Credit you may be eligible for financial assistance towards the cost of this trip. If you are not in receipt of these, you can still apply for financial assistance. Application forms for all assistance are available from the Student Services office or can be downloaded from the school website. Forms to complete and return by Friday 12 October (coloured copies only)

- Students' Essential information Form (EV5)
- The Behaviour Agreement
- Terms and Conditions

Essential Information Form (EV5)

In the unlikely event, that your child needs to receive medical attention whilst on the trip the EV5 is used as written parental permission for this to take place. The trip leader will carry this form with them and present it to medical professionals if necessary. If the details change before the trip, please complete a new EV5.

Withdrawal from the trip

The school makes payments to the providers throughout the year and therefore a student wishing to withdraw from a trip will lose their deposit and may lose a high percentage of money already paid. Please see the terms and conditions regarding cancellation charges.

Behaviour

We receive positive reports regarding the behaviour of Backwell School students from the many centres we visit each year. However, the school must be sure that the behaviour of students taken on school trips will be exemplary. Student behaviour is monitored and their behaviour in lessons and general conduct around school will be a factor in determining whether they are allowed to attend their chosen trip. Students removed from a trip due to behaviour will not be entitled to a full refund and costs incurred will be the responsibility of the parent/carer. This may include collecting your child from the Osmington Bay.

Parents' Meeting

Nearer the time there will be a parents meeting, at which every student must be represented by a parent /carer. At this time, you will meet the trip staff, collect kit lists and other essential information regarding the trip.

In the meantime, if you have any questions please, do not hesitate to contact me.

Yours sincerely

C Domaille

YEAR 7 BEHAVIOUR AGREEMENT ENRICHMENT WEEK 2019

Year after year Backwell School is very proud of the positive reports we receive from the activity companies we work. The behaviour of our students is exemplary and we arrange Enrichment Week in total confidence that this behaviour will continue. Taking students away on trips places extra responsibility on the staff concerned and they must be assured that the students will not represent either a risk either to themselves or to other students. Please discuss this document with your child and the importance of them taking ownership of this responsibility from the outset.

Student behaviour (including attendance) will be monitored over the next nine months and their behaviour in lessons and their general behaviour around school will be a vital factor in determining whether they are allowed to attend their chosen trip. We have a detailed written log in school of all incidents of poor or inappropriate behaviour and we will be using this to help decide if anyone should not attend a residential or Base Backwell trip. We hope we can count on the support of all parents if such a decision is necessary in the future.

- I understand that behaviour during the year will be monitored and play a vital part in the decision as to whether a student can attend the chosen trip
- I understand that the school has the final decision as to whether a student is able to attend the trip
- I understand a full refund will not be available if the student is removed/withdrawn from a trip due to behaviour
- I understand that any costs relating to the student being returned during a trip due to behaviour are the responsibility of the parent/carer
- I understand that the parent/carer may be required to collect any student being sent home early due to inappropriate behaviour
- I understand that any costs for damage to property or equipment caused by inappropriate behaviour by a student will be the responsibility of the parent/carer
- I understand that students will be expected to try their best and “have a go” at all activities, however challenging and support and encourage their fellow students
- I understand that all students are expected to uphold the excellent reputation of Backwell School
