Dear Parent/Carer

A Level Geography : Supporting Textbooks

We are delighted that your son/daughter is continuing to study Geography at A level. It is a hugely interesting course that we are sure will challenge and inspire him/her.

We recommend that all A Level Geography students purchase the AQA approved textbooks, which will be used throughout the two years to support their studies in both Physical and Human Geography.

The books are extremely comprehensive and will allow students to consolidate their knowledge and understanding as we progress through the course, and also to undertake home learning tasks, as directed by their class teachers.

The books are published by Hodder Education and Oxford University Press (OUP):

- **AQA A Level Geography: Hodder Education** – hard copy
- **AQA Geography A Level, Physical Geography Student Book: OUP** – online digital copy
- **AQA Geography A Level, Human Geography Student Book: OUP** – online digital copy

We are able to purchase these publications in bulk at a discounted rate, which means that they will cost **£31** in total when bought through the school.

To take advantage of this offer, please make payment via www.parentpay.com, the school's online cashless payment system, **by Friday 20 September**, so that we can place an order on their behalf. If your son/daughter is in receipt of Free School Meals or you receive Child Tax Credit, you may be able to apply for reimbursement of the costs through the 16-19 Bursary Fund. For further information, please contact Mrs Gumm, the Business Support Manager.

Yours sincerely

C Turner
Subject Leader of Geography
