September 2018

Dear Parents/Carers

A Level Geography : Supporting textbooks

We are delighted that your son/daughter is continuing to study Geography at A level. It is a hugely interesting course that we are sure will challenge and inspire him/her.

To support you son/daughter in their studies we are advising that they purchase the AQA approved textbooks, which will be used throughout the two years to support their studies in both physical and human geography.

They are extremely comprehensive and will allow students to consolidate their knowledge and understanding as we progress through the course and allow them to undertake home learning tasks as directed by their class teachers.

The books are published by Hodder education & Oxford University Press (OUP):

AQA A level Geography: Hodder education : hard copy

AQA Geography A Level: Physical Geography Student Book, OUP : online digital copy

AQA Geography A Level: Human Geography Student Book, OUP : online digital copy

As a school we are able to purchase these items at a discounted rate of **£31.00** if bought through the school.

If you would like to take advantage of this offer, please make payment via ParentPay **by Friday, 21 September** so that we can place an order on their behalf.

Yours sincerely,

C Stubbs
Subject leader of Geography
