Dear Parent/Carer

Key Stage 3 : DT Product Design

As you are aware, your son/daughter will be studying DT Product Design during this academic year.

By the end of the year, students will have made a range of products, from an aluminium key fob, wooden travel game, electronic intruder alarm and acrylic mobile phone cradle to a mechanical toy and model making.

The products are made using materials and equipment provided by the school. To help cover the cost of these resources and associated equipment, we would like to ask for a contribution of £10 per student.

Payment should be made via www.parentpay.com, the school's online cashless payment system **by Friday, 28 September**. If you have any problems accessing the service, please contact the Finance Team on 01275 465941. If your son/daughter is in receipt of free school meals and you would like us to pay the contribution from your personal allocation of Pupil Premium funding, please contact the Finance Team. Please complete the tear-off slip below and return it to the DT Product Design department **by Friday, 28 September**.

Yours sincerely

G Brees
Head of Technology
