September 2018

Dear Parent/Carer

## Year 9 Mathematics Setting

During Year 9, the Mathematics teaching groups will be set for the higher ability groups with set 1 being the highest. The two lower groups will be of mixed ability.

We have placed your child in set \_\_\_\_.

Your child will be taught by \_\_\_\_\_.

Naturally, the placement of students is reviewed regularly to ensure that their needs are being met appropriately. Such reviews normally take place at the end of each term.

We believe that the pace and lesson content of this set will enable your child to make maximum progress in the subject. However, if you have any concerns or questions, please contact the Head of Department, Mrs D Usoro, or myself on the above telephone number.

Yours sincerely

S Blakey  
Coordinator of Key Stage 3 Mathematics
