November 2018

Dear Parent/Carer

A Level Geography – Geography Review

For several years, many of our A Level students have subscribed to a magazine entitled 'Geography Review'. This is written by professional geographers specifically for students taking A Level Geography. The magazine covers:

- Up-to-date articles on key topics and issues covered in the A Level syllabus.
- Advice on help with essay skills, fieldwork, case studies and exam preparation.
- Fact-filled profiles and detailed photographs of places around the world.
- Additional online resources and exam support.

We have the opportunity to subscribe to 'Geography Review' as a school at the group rate of **£15** per student for the year (four issues).

If you wish your son/daughter to take advantage of this offer, then please make payment via www.parentpay.com, the school's online cashless payment system **by Friday, 7 December**.

In cases of financial assistance, please contact Mrs Gumm, the Business Support Manager, who will be able to provide information regarding the 16-19 Bursary Fund. This is available to post-16 students who are in receipt of free school meals or whose parents/carers receive Child Tax Credit or Universal Credit.

Yours sincerely

C Stubbs
Head of Geography
