

# Bishop Perrin

## C.E. Primary School

MINT CLASS

YEAR 1 – Miss Lang

OURSELVES

Autumn 1

### CURRICULUM INFORMATION

#### English

**Key Text:** Sounds by Irene Rawnsley and other descriptive poetry about our senses.

Handa's Surprise - Eileen Browne

The Lighthouse Keeper's Lunch - David & Ronda Armitage.

We're going on a Lion Hunt - David Axtell

**Writing:** To write a descriptive poem using adjectives and similes.

**Reading:** To recognise and use alternative ways of pronouncing the graphemes they have already been taught as well as identifying an increasing number of familiar high frequency words.

**Spoken Word:** To interpret a text by reading aloud with some variety in pace and emphasis.

**Text and Word:** To discover how words can combine to make a sentence. To learn how to sequence sentences to form a short narrative.

**Punctuation:** To write in sentences using capital letters at the beginning and full stops at the end.

**Sentence structure:** To develop a simple sentence structure.

#### Maths

- Place value
  - Count to ten, forwards and backwards, beginning with 0 or 1, or from any given number
  - Count, read and write numbers to 10 in numerals and words
  - Given a number, identify one more or one less
  - Count in multiples of two
- Addition and Subtraction
  - Represent and use number bonds and related subtraction facts up to 10.

#### RE

##### **The Parables of Jesus**

Children will understand why Christians believe that stories Jesus told are important. They will read a selection of different parables and understand what they teach about life and about the nature of God.

#### THEME

**Theme name:** Around the World & Ourselves

**Subject Drivers:** Geography & PSHE

The children will learn how to identify, name, draw and label the basic parts of the human body in **Science**. They will also be able to say what part of the body is associated with each sense. Pupils will also be taught about the difference between the four seasons and how to describe weather experienced during different times of the year. In **Geography**, the children will learn about a variety of countries from different continents. The children will be able to identify daily weather patterns in the UK. The children will also learn about key physical & human features of the local area. In **History**, the children will be exploring the differences between old and new transport. They will also plot their own family tree with support. In **Music** the children will listen to, and learn, songs from the various countries that we study. The children will learn about and respect the differences between people in **PSHE**. In **DT**, the children will learn where food comes from. They will also learn how to work safely and hygienically with food.

#### **PE: Games and Gym**

**COMPUTING:** Children will learn how to use a digital camera to take pictures to record their work. They will also learn to access different types of information from different sources including websites.

*If you have any queries about other aspects of the curriculum that are not covered here, please see your child's class teacher.*
