## Dear Parents,

It has been lovely to see all the Reception children in school this week. They have come in enthusiastically and are beginning to settle quickly into their new routines. We also formally welcome all our new families to the BP school community and hope that you are able to feel settled and be involved with your child's education as quickly as possible.

Thank you to all the parents who were able to come along to our "Meet the Teacher" session last Friday after school. Along with the information sheet that went out with the newsletter, I hope you found the session helpful. We have had some feedback from some parents about the session, so we will look to act on this for next year to improve it and make sure it is as informative as possible.

We will be holding our annual Parent Carousel Workshop Evening on Wednesday 20<sup>th</sup> November when we offer a range of different workshops for parents to attend, all aimed at helping you support your child in their learning and behaviours. The workshops are free, and we offer a free crèche facility to enable parents to attend. We will be aiming to start around 5.30pm, but will confirm this closer the time. We will share with you soon all the different workshops on offer over the course of the evening that you can book onto. After feedback from the last year's workshops, we will let you know if any of the workshops this year are repeats of last year's ones so you can choose which ones suit your needs best. We hope as many of you as possible are able to attend.

Good luck to all the children and parents who are taking part in the Richmond Running Festival this coming weekend. We have lots of children taking part in the Children's Mile, and some parents taking part in the 10km run, the half-marathon and the full marathon, so all the best! We would be delighted if any of the children taking part in the Children's Mile can bring their medals into school on Monday so we can show them to everyone at Worship and get a picture of them all.

Last Saturday we entered teams into the Hampton Grammar School 5-a-side Tournament. Unbeknown to us, unfortunately there were no other schools with a girls' team, so with little time, we had to mix both the boys and the girls' teams together, with our two teams having to play boys-only teams from other schools. Despite this challenge, all the BP children did brilliantly and worked really hard for each other. Although we didn't win any games, we gave the opposition teams a good run for their money and scored some cracking goals!. I am very grateful to Mr Ghedia who managed one of our teams, and to all the parents who came to support. Well done to; Roshan, Bobby, Franky, Joseph, Rayyan, Sam, Stanley, Libby, Anna, Bianca, Emily, Bethany and Safa.

Have a restful weekend,

**Mr Corke**
