Friday 18th October
2019

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Father David Cloake.

Our Value this week is Peace.

"Peace comes from within. Do not seek it without" Buddha

Dear Parents,

Thank you to all the parents who were able to collect their children early on Wednesday for our first Parent Interview sessions. Some parents were not aware that we were finishing at 2.30pm on Wednesday, which highlights the importance of making sure that you read the newsletter each week for important information and news. It was lovely to see so many of you attend our Parent Interview sessions over the Wednesday and Thursday and I hope you found the opportunity to speak to your child's teacher informative and helpful. Please remember that you are always welcome to make an appointment to see your child's class teacher outside of the formal Parent Interview slots if you feel the need to so. Our next set of Parent Interviews will be in late January/early February when we will be able to feedback to you about how your child has got on in their December assessment tests and their new targets and areas to work on.

It has been a busy week with lots of events going on. Year 4 had a very successful visit to the Roman Museum in St Alban's on Wednesday and were a credit to the school with their behaviour. Year 2 were our first class this year to do their Class Assembly on Wednesday morning, and although I was unable to see it as I was at the Borough Tag Rugby Festival, Miss Macklearn said that the children sang and performed beautifully. Thank you to all the parents and family members who were able to come and watch. Also on Wednesday, as mentioned, we entered a team into the Borough Tag Rugby Festival at NPL. We were delighted to have been able to get to the semi-finals of the Plate Competition, which was a great achievement. Well done to; Max, Franky, Roshan, Angelina, Bobby, Safa, Shiven, Rayya, Timothy and Claudia. I am very grateful to Mrs Dixon, Mrs Ferrara and Mr Trehan who were all able to help with transport and support the team.

Next week is our annual Wellbeing Week and the children will be taking part in a range of activities to help their physical fitness and mental wellbeing...with one bonus of no homework! The children will all be going on some local nature walks, will take part in some circuit training and participate in some drama workshops (which are kindly being funded by the School Association). We hope the children will all benefit from these activities after a very busy first half-term of the school year. I am very grateful to Miss Macklearn for all her work in planning and organising the activities for next week.

For all the rugby fans out there, I hope you are able to peel yourself out of your chairs with four cracking quarter-final matches over Saturday and Sunday.

We haven't had many name suggestions for our rugby player in the school garden yet, so if you want to send in a suggestion, please do, otherwise he might remain nameless!

Have a restful weekend.

Mr Corke

CHRISTMAS CARDS

Today, your child will be coming home with their charity Christmas card design for this year. Attached to the design, you will find details of how to order copies of your child's Christmas card or other merchandise with their design on. Proceeds from these sales go towards the Bishop Perrin School Association funds.

Please note, in a change to previous years, all orders are now to be done online. All we require at school, is for you to return your child's Christmas card design by Thursday 24th October, so they can be sent off to the printers in time. We only need the design to be returned if you have placed an order.

WELLBEING WEEK – MINDFUL NATURE WALKS

Next week is Wellbeing Week. One of the activities the children will be taking part in with their class is a nature walk in the local area. Please see below for details of the dates, times and places the children will be visiting. If you are able to join one of the classes on their walk, we would be most grateful for the extra adult support – please could you let the class teacher know. The walks will go ahead unless it is raining very heavily, so please ensure your child has a warm coat and appropriate footwear for the day.

WRAPUPLONDON

Mrs Stewart and Mrs Arney, two of our Year 2 Mums, are organising a collection of unwanted coats as part of an initiative through St Philip and St James's Church. They have asked if we as a school can support them, and I hope that they will be able to get a few more coats from our school community.

Around this time every year a campaign called WrapUpLondon collects unwanted coats and gives them to charities that support the homeless, refugees, children living in poverty and people fleeing domestic violence. If you have any good condition unwanted coats lying around please bring them along to drop-off (in the courtyard) or pick-up (in the playground) on Thursday 14th November.

Thank you for your support.

WASTE-LESS FOOD FEST

As part of a week of activity across London, Richmond Council is hosting a Waste-Less Food Fest to give people handy tips on reducing the amount of food they throw away, properly recycling food that cannot be used and eating more sustainable.

On Sunday 20 October 2019, from 11am to 4pm, at Richmond Library Annexe in Richmond, the Waste-Less Food Fest will include insightful talks and workshops, including; cooking demonstrations with chef Ann Storr; food sharing hints and tips from innovative company Olio, and using left overs for good causes with The Felix Project.

Richmond upon Thames is one of the twelve London boroughs taking part in the Small Change, Big Difference campaign (14 to 20 October 2019), which aims to help Londoners make a big difference to their health, pockets and the planet by getting savvy with their food. The campaign is about eating more healthily and sustainably, reducing the amount of food wasted at home and recycling more of the inedible bits. This week is a celebration of the work that Londoners have done

Reserve your spot at the [Waste-Less Food Fest](#).
