Dear Parents,

The children are now very settled in class and are getting familiar with their new routines and timetables. It has been lovely to see the colourful, creative and imaginative displays going up in classrooms, corridors and the Hall, bringing the school to life with celebrations of the learning the children are doing now or will soon to be embarking on.

Congratulations to all the children, parents and staff who took part in the Richmond Running Festival last weekend. There were a few stiff legs on Monday, but with 39 children from BP competing, it was an impressive turn out from everyone-well done!

We have been made aware that Richmond Council will be making a concerted effort across the Borough to tackle air pollution, with a specific focus on encouraging drivers not to leave their cars idling whilst stationary. This is of course important to us at drop-off and pick-up time, so I would urge you to be considerate about this, especially as the Council have said that their Traffic Enforcement Officers now have the power to fine drivers who do not respond to their requests to turn their engines off.

Next Thursday is the School Association's Annual General Meeting. This is a really important meeting and an opportunity for all our new families to come along and find out about the work of the SA, and look to appoint some new people to the key roles. I hope that as many of you are able to come along and support next week, enabling the SA to continue to provide so many wonderful fun and enjoyable events and activities for both the children and parents, along with raising incredibly valuable funds for the school.

I'm sure many of our families are looking forward to the Rugby World Cup, which starts today in Japan. All the best to the four home nations!

Have a restful weekend.

Mr Corke

The course will culminate in an Enterprise Fair, where the children will get to present their product/business idea to the rest of the school.

The children will have brought home a photo and video consent form this week. Please ensure that this is filled in and returned by Friday 27th September. Thank you.
