Friday 6th July 2018

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Father David Cloake.

Dear Parents,

It has been another busy week! We've had; Move Up Morning on Monday, daily rehearsals for the Year 5 and 6 play, the Swimming Gala on Wednesday and on Thursday our Diocesan Schools' Years 3 and 4 Athletics Festival and the Year 6 Golf Team representing Richmond Borough at the School Games. Well done to everyone who has competed in the various sporting events and my thanks to Mr Crinall for organising our lovely Swimming Gala.

Next week is no less busy, and in fact more so! We're keeping a close eye on the weather (in case it's too hot) for our Sports Morning on Tuesday. We then turn into the West End with our production of "Wind in the Willows" on Wednesday and Thursday. Thursday also sees our Open School Morning from 9-11am when you are welcome to come into school to see your child in their classroom settings and watch them perform in the Hall. Please see a bit later in the newsletter the timetable for Open School Morning.

Next Friday you will receive your child's end of year annual written report. There is an opportunity for you to comment on how you feel your child has performed and progressed over the course of the academic year and we value your thoughts and comments if you are able to return this form to us.

We have had some incidents of incorrect uniform appearing over the last couple of weeks, so please ensure your child comes to school with all the correct clothing for the day. Please also maintain your sun care as the hot weather looks like staying with us into next week.

So far, so good with England and fingers and toes will be crossed for their match against Sweden tomorrow afternoon!

Have a restful weekend,

Mr Corke

THE WIND IN THE WILLOWS EVENING PERFORMANCE ARRANGEMENTS

There will be evening performances of the Year 5 and 6 production of 'The Wind in the Willows' next Wednesday (11th) and Thursday (12th July). The performances start at **7pm**. However, all Year 5 and 6 children need to be in school at **6.15pm** to get ready for the performance. It is important the children arrive at school promptly at these times to allow time to get changed into costumes and to sort out any last minute issues. The performance is expected to finish at 9pm and children will need to be collected from the Year 5 and 6 classrooms at this time. Please note, a number of children may be required to have their faces painted for the performance – if your child has any allergies to face paints and cannot wear them, please let me know.

It is important that **all** Year 5 & 6 children attend **both** evening performances as they have worked very hard over the past few weeks to rehearse and it is very difficult to find stand-ins for them at the last minute.

With this in mind, we are aware that should England win their quarter-final match on Saturday, the semi-final match is scheduled for 7pm on Wednesday - the same time as our performance. Should this be the scenario, we appreciate that many of the children and audience members would like to see the match, so we propose bringing the start time of the evening performance forward to 5pm. We will not make a decision about this until Monday morning but we wanted to give you some advance warning that this may be a possibility. If you have tickets for the Wednesday 7pm performance and wouldn't be able to make it for a 5pm start, there are still tickets available for the Thursday performance at 7pm – you will need to contact Mrs Keightley should you wish to change them.

We will send out a Parentmail confirming arrangements for Wednesday's performance on Monday morning. Regardless of any rearrangements we will start sending tickets home with the children on Monday.

Thank you for your co-operation. We look forward to welcoming many of you to what will be a fun evening of entertainment!

YEAR 5 & 6 PRODUCTION

With our production next week, we are now finalising our costumes and props. We have a few random items that we need for props that we were hoping some of you may have at home and that you wouldn't mind lending them to us for next week. We need:

- Fancy dress police hats (x 5)
- A hobby horse
- 'Happy Birthday' banner (x 3)
- Party hats (as many as possible)

If you have any of these items and are able to lend them to us for the duration of next week, please could you send them in to school on Monday.

UNIFORM CUPBOARD

The uniform cupboard will open for the last time this term on **Wednesday 18th July**. Please send in any orders that you would like processed before that date. Orders received after that date will be processed after the start of next term.

Y6 PGL 2019

The second payment of £100 was due to be paid today. Please send this payment into school, or pay online, if you have not already done so.

INFANT AND JUNIOR SPORTS MORNING

We are hoping for good weather for our Infant and Junior Sports Mornings, which are being held on Tuesday 10th July. The Junior Sports Morning will be held at the field at St Edmund's School on Nelson Road, with the infants remaining at Bishop Perrin and completing their Sports Morning on the playground.

To allow parents to see both events, the junior event will take place first, with classes aiming to leave Bishop Perrin at 9am. The infant event will begin at 10.30am. All junior children need to come to school in their PE kits on Wednesday morning. Infant pupils will change at school before their sports morning starts and may wear trainers instead of plimsolls if they prefer.

Depending on the weather, please ensure your child has had sun cream applied to them and has a sunhat or a warm top and waterproof coat if the weather is likely to be cool. Please also ensure that your child has a named water bottle. The juniors will leave Bishop Perrin at 9am. If you are able to help walk with your child's class, your help would be much appreciated. Please complete the tear-off slip and return it to Mrs May in the school office. The juniors will have their event on the left hand side of field (where it was held last year). There is no seating available for parents but you are welcome to bring a picnic blanket or deck chair to sit in if you wish. Spectators will be sat on the opposite side of the running tracks to where all the pupils are during the morning and will need to be sat behind the line of cones that will be laid out. Please do not cross the track to speak to your child during the course of the races or ask them to leave their class/house group to come to you.

We are aiming to finish by 11am for the junior event. If time permits, and there is enough interest, there will be a parent and toddler race. The infants will start their Sports Morning at 10.30am on the playground. There will be chairs available for parents. Whilst the junior event has a competitive element towards it as children earn points towards their house totals, please can I take this opportunity to remind you that the main focus for the morning is participation and increasing the enjoyment of PE and sport. We hope the morning will be a fun and pleasant event for all of the pupils, and we look forward to having as many family members cheering and supporting as possible.

We are very grateful to St Edmund's for allowing us to use their field, and ask that spectators leave no litter and that any young children are supervised properly throughout the morning and are not left to wander around the site.

In the event of heavy rain or excessive temperatures, we will have to cancel the Sports Mornings and we will fall back to our reserve date of Tuesday 17th July. A decision on this will be made as soon as reasonably possible before the event.

Name: _____
I am able to walk to and from St Edmund's Field on Tuesday 10th July.

TERMLY SPORTS AND ACHIEVEMENT UPDATE

If your child has achieved something you would like us to include in this term's update, please send a note to the office titled "Achievement Update" with the name of your child and brief description of what they have achieved by Monday 16th July.

MATHLETICS SUMMER CHALLENGE
