Bolnore Village Horticultural School

‘It takes a village to grow a daff!’

Did you know?

In Victorian times, daffodils represented chivalry. Today they symbolise hope.

The Great Exhibition

Year 4 dressed up as Victorians, Queen Victoria also came to visit. We had an exhibition to celebrate the fantastic work that has been carried out over the term.

Dogs in playground

A number of instances have been brought to our attention regarding dogs in the playground. Dogs are not allowed into the playground for health and safety reasons. Very small dogs may be carried in the playground but all other dogs need to be tied up in the designated area. We have a number of children who are worried about dogs and we want all of our children to feel safe at school. Thank you for your cooperation.

Did you know?

The name ‘daffodil’ was first recorded in 1538. Even earlier it was called adflor.
