The School

Established close to fifty years ago, the British School of Milan is an independent, co-educational, not-for-profit organisation enjoying a growing national and international reputation for excellence.

The School offers students the English National Curriculum up to (I)GCSE and the IB diploma in the Sixth Form, with a wide range of co-curricular activities throughout. Teaching staff enjoy their work in a positive and friendly atmosphere, finding the students bright and responsive. The last two cohorts have gained an average of 35 IB diploma points, and (I)GCSE results in 2016 saw the total A*/A grades reach 66%.

Living in Milan

The school is situated close to the centre of Milan, a cosmopolitan city, the financial and economic capital of Italy, and an exciting place in which to live and work. It boasts one of the grandest squares in Europe, dominated by a spectacular cathedral and arcade. Art treasures include The Last Supper by Leonardo and the Rondonini Pietà by Michelangelo, while La Scala is one of the premier opera houses in the world. The fashion houses of Prada, Armani and Versace have their headquarters here, while two of the finest football teams in Europe play in the San Siro stadium. Milan recently hosted the World Expo, and with excellent public transport and world class healthcare, there has never been a better time to live in the city.

Milan is also a transport hub, with easy access to the dramatic landscapes of the Italian Lakes and the Alps, the Mediterranean, and the cultural riches of Florence and Venice. Boasting three international airports, the city is easily reachable from most international cities.
