CASTLEMAN ACADEMY TRUST

Broadstone Middle School, Admissions Policy 2018/19

All the admission authorities within Poole operate an equal preference admissions system. This means that all first, second and third preference applications are considered together. The local authority will offer the highest ranked preference possible.

Children with a Statement of Special Educational Needs or an Education, Health and Care Plan issued by a local authority naming Broadstone Middle School will be admitted before preferences are considered for admission in September.

Where there are more applications than places available the following criteria will be used, in numerical order, to decide the priority list for the offering of places up to the school's Published Admission Number (163) for the admission year group:

1. A "Looked After Child" or who was a "previously Looked After Child" (see Note 1).
2. Children who have a parent who has been employed at the school for two or more years at the time the application was made and/or has been recruited to fill a vacant post for which there is a demonstrable skill shortage.
3. Children who live (see Note 2) within the school's catchment area. If there are too many applications from the catchment area, criteria 4 (a) and (b) will be used in order to prioritise the applications with criterion 5 used as the final determining factor.
4. Children who live (see Note 2) outside the school's catchment area, in the following priority order:
 - a) Children who have a sibling (see Note 3) who is already on the roll of the school and will continue to attend the school at the time of admission.
 - b) All other children.
5. If a school is oversubscribed in any of the categories 1, 2, 3 and 4 (a) and (b) above, children who live (see Notes 2 and 4) closest to the school will be given priority. The distance is measured by a Geographical Information System (see Note 4). If the distance measurement is equal for two or more applicants the place will be allocated by the drawing of lots (See Note 5).

Admissions arrangements

Admission to Broadstone Middle School will be in accordance with the agreed scheme for co-ordinated admission arrangements 2018/19.

In Year Fair Access

All the admission authorities in Poole have established an In Year Fair Access Protocol. The purpose of the Protocol is to ensure an equitable distribution of in-year admission placements of children without a school place or with challenging behaviour. Cases are considered by a Panel comprising Headteachers and/or their representatives. Decisions of the Panel may mean that individual schools admit children above the Published Admission Number. Admission authorities will not normally be asked to admit a child to an infant class where there are already 30 children in the class.

In-year admissions – Looked After Children and Previously Looked After Children

A Looked After Child (see Note 1) may be admitted to Broadstone Middle School above the Published Admission number if it is felt by the local authority that a particular school is the most appropriate placement to meet the needs of the individual child. Borough of Poole Local Authority has adopted a Protocol for dealing with in-year admissions of Looked After Children.

Applications from separated parents

Only one application can be considered for each child. Where parents are separated it is essential that agreement is reached by both parties. If agreement cannot be reached the school will only consider the application from the parent who is the prime carer for the child. The prime carer is the parent in whose name Child Benefit payments are made. If Child Benefit payments are not received by either parent, then the address that the child has been registered with a General Practitioner (GP) at will be considered as the address for the prime carer.

Applications for children of multiple births

If there are insufficient places to accommodate all the children of a multiple birth (i.e. twins, triplets etc) in any year group and one child can be admitted, the other siblings of the multiple birth will be admitted over the school's Published Admission Number. If it is in an infant class (Years R, 1 and 2) the additional children over the PAN will be considered as excepted pupils for the entire time they are in an infant class at the school or until the class numbers fall back to the infant class size limit in accordance with the School Admissions Code 2014.

Notes

1. A "Looked After Child" means any child who is in the care of a local authority in accordance with Section 22 (1) of the Children Act 1989. A child who was "previously a Looked After Child" means a child who after being Looked After became subject to an Adoption Order under the Adoption Act 1976 or under Section 46 of the Adoption and Children Act 2002, a Residence Order or Child Arrangement Order under Section 8 of the Children Act 1989 or Special Guardianship Order under Section 14A of the Children Act 1989.
2. The Castleman Academy Trust will consider that a child lives at the address at which he/she lives during the school week. Where a child lives at more than one address during the school week, the Trust will consider the home address as being where the

prime carer resides. The “prime carer” is the person in whose name Child Benefit payments for the individual child are made. If Child Benefit payments are not received by either parent, then the address that the child has been registered with a General Practitioner (GP) at will be considered as the home address of the prime carer. The final decision on the home address of a child will be made by the school. If any information supplied by an applicant is judged by the school to be fraudulent or intentionally misleading the school may refuse to offer a place, or if already offered, may withdraw the offer.

3. “Sibling” means:

- a full brother or sister who lives with one or both parents or carers in the same property during the school week.
- a half-brother or half-sister who lives with one or both parents or carers in the same property during the school week.
- an adoptive brother or sister who lives with one or both parents or carers in the same property during the school week.
- a foster brother or sister who lives with one or both parents or carers in the same property during the school week.
- non-blood related children who, together, all live with one or both parents or carers in the same property during the school week.

4(a) The distance from home to school is measured by using the shortest, safe and practicable walking route using the centre line of public roads and footpaths (excluding paths identified for the sole use of bicycles i.e. cycleways) from the nearest point on the public highway to the centre point of the child’s home address (see Note 2 above for definition of home address) to a point opposite the nearest approved access point on school property that is for the use of pupils. The centre point of the child’s home address is the centre of the land parcel that the building resides on. The GIS maps used are provided by Ordnance Survey and represent the position as at the beginning of the annual admission cycle i.e. September in the year prior to admission. Any footpaths or roads added after this time will not be taken into consideration until the next academic year of application.

4(b) For applicants living on islands or residing permanently on a boat within Poole harbour, the distance measurement will be a straight line from the centre point of the home address (see Note 2 and Note 5(a) above) to either:

1. the nearest public landing steps at Poole Quay, or
2. a point on the mainland that the applicant proves to the satisfaction of the school that he/she can access

and from that point the distance will be measured using the shortest, safe and practicable walking route to the nearest point on the public highway and from there using the shortest, safe and practicable walking route using the centre line of public roads and footpaths (excluding paths identified for the sole use of bicycles i.e. cycleways) to a point opposite the nearest approved access point on school property that is for the use of pupils.

4(c) If an applicant advises the school that the child would or could use the Sandbanks/Studland Chain Ferry in the journey to school, then the distance will be

measured on that basis from the home address (see Note 2 and Note 5(a) above), including the distance travelled by the ferry.

5. If there are insufficient places to accommodate all applicants and the distance criterion is used, the school will use random allocation for applicants living an equal distance from the school (up to three decimal points) or at the same address or in the same block of flats who are eligible for the remaining places. Applicants will have their names drawn as lots to see who should be offered the place(s). The person drawing the names will be an officer within school who has no involvement in the admissions process.
