Pupil Premium Strategy 2018-19

We believe that all students should have access to a high quality education, irrespective of their background, personal circumstances or prior experiences. We believe that all students can achieve. Due to their financial circumstances, some students are considered to be at a disadvantage compared to their peers. As a result, the school receives additional funding to ensure that all students make and exceed expected progress. This funding is called the Pupil Premium.

Nationally, statistics show a gap between the attainment and progress of some groups of pupils including those in receipt of Free School Meals (FSM) and their peers. The Pupil Premium is a sum of money that the school receives to help narrow this gap. This now includes students;

- who have been in receipt of Free School Meals any time over the past six years
- that were adopted from care in England (including those adopted before December 2005)
- that left care under a Special Guardianship Order (under the Children Act 1989)
- that left care under a Residential Order (under the Children Act 1989)
- whose parents are in the armed services, or have been in the past four years.

Our core aim is to raise the attainment and progress of students in receipt of Pupil Premium so that their performance compares favourably with Non-Pupil Premium peers.

We are required to publish how much Pupil Premium money we receive and how we have chosen to spend that money. In order for us to do this, we are using our Pupil Premium Guarantee at Broadstone Middle School. This guarantee will use the Pupil Premium to enhance and extend our current provision to make sure that students, whose parents or carers are on lower incomes, are not disadvantaged in any way.

Pupil Premium Guarantee

Our Guarantee for every qualifying student will include:

1. £125 per child per academic year to go towards the cost of uniform, equipment, residential and day trips. This will be held by the Finance Manager but can be claimed at any time by parents/carers by contacting school. All such requests will be treated with the strictest confidence.
2. Guaranteed access to Pastoral Care and Counselling support if necessary.
3. Guaranteed access to 'in house' interventions and outside events as appropriate.
4. Guaranteed access, where required, to 1:1 support or small group work for English and/or Maths
5. Guaranteed access to bespoke individual support from our inclusion team focussing on areas such as confidence building and time management

6. All students eligible for Pupil Premium will have a Pupil Passport to co-ordinate their support and a tailored plan if they are felt to be underperforming.
