

Dear Parents and Carers,

30th October 2018

Rock Challenge Fundraising and Julia's House – Sponsored Fun Run – THE EXTRA MILE

Many of you will be aware that this year we are entering the Junior Rock Challenge event for the second time. This is an exciting performing arts competition open to all children up to 11 years, which concludes in them performing at the Portsmouth Guildhall. As part of this project we are looking to complete some fundraising events to help raise funds for costumes and transport. As such, donations will be made by the Friday Tuck Shop, where children will be able to buy a pick-n-mix bag of sweets for 50p.

We are also organising a sponsored fun run to support both JRock and Julia's House, which will be open to all children to take part in. Last year, this event was a huge success raising a huge grand total of £3119.62 for Julia's House! This is a fully inclusive event and children will be able to walk, run, jog, skip, dance or conga their way around the course! The run will take place on the school field and around the front of the school, the route will be 1 km long and the children can set themselves a target of how many kilometers they wish to complete. They will have a 45 minute slot and there will be a cheering zone when they have completed their set distance. The amount raised will go a huge way in supporting our Rock challenge venture. As well as encouraging children to take up exercise, this is a chance for young people to support their local children's hospice.

At Broadstone Middle School we want children to challenge themselves and strive to push themselves out of their comfort zones. Our aim is for all of our children to proudly put on their house coloured t-shirts and enjoy taking part!

A reminder – the house colours are:

- Da Vinci** **Green**
- Dyson** **Yellow**
- Rowling** **Red**
- Attenborough** **Purple**

The Fun Run will take place on the afternoon of Friday 23rd November, KS2 will run during lesson 3 (11.05am-12.05pm) and KS3 will run during lesson 4 (12.05pm – 1.05pm). Children will finish school at the normal time.....although they may be a little more tired than normal!

Many thanks for your support of these events,

Miss J Palmer
Teacher in Charge
