## Week: 7<sup>th</sup> May to 10<sup>th</sup> May

This week in **Year 5** we have been sinking our teeth into our new topic by exploring what greatness means and how the Ancient Greeks have influenced life in the western world today. We have met some great Olympians – such as Eddie the Eagle!

This week in **Year 6** we started our new UBC modules. We were excited to find out what we would be doing and loved the new challenge! Last Friday, we worked tirelessly and headed down to the field for some 'Friday Fun'!
