

Snapshots of the Week

Week: 10th June to 14th June

This week **Year 5** have had a busy week bringing their Great Greeks topic to an end. Debates over which would have been the best State to live in and Greek food tasting. We will be finishing off the week with the premiers of our PE promotional videos 'Greatness at BMS'. Year 5 you have been AWESOME!

This week in **Year 6** we have been busy writing dialogue between our parents and the Headteacher....There have been some amusing conversations! 6Y have ventured out of the building to the virtual reality centre in Bournemouth – they had an incredible time and were an absolute credit to the school – behaviour was impeccable!

YEAR 7

MATHEMATICS: Y7 have been applying their metric & imperial conversion skills this week through real life scenarios. They have also been interpreting and drawing conversion graphs involving a variety of currencies.

FOOD TECH: Y7 have been whipping up some fruit crumbles with Mrs Harrison and we've been enjoying the scrumptious smell around school.

YEAR 8

MATHEMATICS: Y8 have been applying their skills involving ratio and proportion. They have been converting recipes for various amounts of people and attempting a variety of other challenges including whether it is better to have a square peg in a round hole or a round peg in a square hole.

FOOD TECH: Y8 have been busy creating weird and wonderful cookie inventions from chocolate and chilli to raspberry and cardamom. DELICIOUS!

Upcoming Events

17th June Sports Day – Track Events!

Excellent Events!

WOW! It has been **very busy** for the PE team ... Our year 5 and 6s won Quadkids on the 4th June (woohoo!) then the next day KS3 won relays at St Edwards! On the 8th June KS3 attended County Athletics Dorset Championships. Then finally KS2 competed at Poole Town Sports Athletics on 11th June.

THANK YOU...

For being patient with us with the change of date for sports day! We look forward to welcoming you on Monday 17th June (fingers are crossed for a dry and mild day!)

CHOIR OPPORTUNITY!

BMS are starting up a choir this term in preparation for a Beowulf performance at the Lighthouse in Poole on the 5th July 2019. So far we have had lots of interest and we are looking forward to taking part in a specialist workshop on **Tuesday 18th**.
