Care, Courtesy, Co-operation

Part of the Castleman Academy Trust
Executive Headteacher: Rhonda Moore

23rd January 2017

Incident on Tuesday 3rd January 2017

Parents may be aware of an incident which occurred earlier this month. We can confirm that on Tuesday 3 January 2017, a child brought what was thought to be a drug, into school. The child believed the substance to be sweets.

Police and ambulance services were immediately called, and four children were taken to hospital to be checked over. They were not found to have any health issues and were discharged the same day.

We would like to reassure parents that this incident was a 'one off'. As soon as it came to light relevant authorities, including the parents of those involved, were contacted within minutes.

A man – who is not a parent of any child at the school - has been arrested in connection with the incident. As the police investigation is ongoing regarding this incident we are unable to comment further at this time.

If you have any concerns please contact the Headteacher, Dawn Wilks via the school office.
