BROADSTONE MIDDLE SCHOOL
Uniform Policy

Parental support is required to ensure that all pupils are well presented. The standard of dress is important because it sets the expectation for work and behaviour and projects a positive image of the school in the community.

It is expected that all pupils will take responsibility for their personal hygiene and arrive dressed clean, tidy and respectable manner. We ask parents to support the role in creating a sense of belonging to the school.

Parents are asked not to purchase items of clothing for school which do not appear in the list below. If you are in any doubt or difficulty, please contact the school and discuss the problem with your child's Head of Year.

We reserve the right to sanction or send a student home who does not comply with our uniform rules.

The school is currently looking into establishing a 'nearly new' facility to enable parents to pass down uniform as it becomes too small. This will give parents another purchasing option in time.

Expectations of dress on non- uniform days.

Occasionally the school has non-school uniform days: pupils also have the opportunity as part of the reward system to come to school in non-school uniform.

On these occasions there are certain expectations for the standard of dress which include

- No jewellery
- Hair must be tied back
- Clothing must be suitable for a school environment (think about length of skirts/ exposed navels should not be on show/ under garments should not be on show etc)
- Make up, if worn, must be subtle

The school will be decide on what is acceptable or not.

In addition to these occasions there may be times where pupils are asked to attend in non-school uniform, for example on certain trips and residentials. For these activities, specific information regarding appropriate clothing will be shared in advance. However the expectations above will also still apply.
