

20th April 2018

Dear Parents and Carers

Book Fair

We are extremely proud to be launching our completely refurbished LRC (Learning Resource Centre) next week. This coincides neatly with our rescheduled Book Fair (Tuesday 24th to Friday 27th April) and will be a great opportunity to come and have a first look at what we hope will be the “learning heart” of the school.

The Book Fair will have a fantastic selection of books to choose from and we would again like to warmly invite pupils and parents from Broadstone First School to attend too. Travelling Books have agreed to honour any outstanding World Book Day tokens, so please bring them along with you when you make your purchases. Remember, the more you spend, the more books we are able to choose from to replenish our own selection in school.

Reminder: The Book Fair will be open to pupils at lunchtime from 1.20pm -1.45pm on the Tuesday, Wednesday, Thursday and Friday (24th to 27th April) as well as after school to pupils and parents (3.10pm-4.10pm) on the Wednesday, Thursday and Friday.

We look forward to seeing you and hope you enjoy visiting our new look LRC!

Yours sincerely

Mr M Yeates
English Lead
