Care, Courtesy, Co-operation

Part of the Castleman Academy Trust
Executive Headteacher: Rhonda Moore

17th January 2017

Dear Parents and Carers,

As part of the Castleman Academy Trust's ongoing commitment to E-Safety, Broadstone First School will be hosting an e-safety parent workshop in conjunction with The Safer Schools and Communities Team at Dorset Police.

E-safety is an important part of keeping children safe and is as relevant at home as it is at school, with children able to access more online than ever before.

This workshop is tailored for parents of school age children and is designed to provide you with information and practical advice to help you support your child with E-Safety matters, therefore, I would urge you to join the First School for this workshop if possible.

At the end of this workshop, there will be time allocated to answer any questions or e-safety concerns and queries you may have.

Refreshments and/or a glass of wine will be available on the evening for a small charge (£2 per glass of wine) along with cheese and crackers.

The workshop will be on **Wednesday 22nd February from 6pm-7pm.**

If you would like to attend please email Jane Tomlinson at j.tomlinson.st@bmsweb.co.uk by Friday 3rd February 2017.

If you have any queries or questions about the session then please don't hesitate to ask.

Many Thanks,

Jane Tomlinson
Welfare Lead
