

7th December 2018

Dear Parents and Carers

Extra-Curricular P.E. Activities for the Spring Term

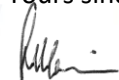

I am writing to inform you of the extra-curricular P.E. clubs for the Spring term, which will be commencing on the 7th January 2019 and ending on Friday 29th March 2019.

We want as many pupils to take part in extra-curricular P.E. clubs as possible, from year 5 through to year 8. There are various elements to our clubs two of which are as follows: The first is enjoyment and taking part in physical activity. We welcome pupils from all standards, it is not important if they are not 'the best player'; the only way to improve is to practice. The second element is that if a pupil is chosen to represent the school it is important they practice as a team and understand the rules/tactics involved.

This term we are introducing handball for all year groups and tag rugby for Key Stage 3. If there are 2 clubs on the same day that your child wishes to attend, they can go to each club on alternate weeks.

If your child would like to take part in the extra-curricular clubs please complete the permission slip below (indicating which activities your child wishes to take part in) and return it to the School Office by Monday 17th December. If you have any further questions, please don't hesitate to contact us.

Yours sincerely,

Patrick McCalister
Head of PE
