Dear Parents and Carers

New Uniform update

We are very pleased to announce the choice of the new uniform for Broadstone Middle School.

We have taken on board your comments from the most recent consultation phase (phase 3) as well as the previous rounds of consultation. We have put this alongside our own views as a school.

Throughout the consultation there have been a wide range of views expressed, however we are confident that we have listened to the majority view. We have also taken on board the concerns you have around cost, particularly around value for money and achieving quality, long lasting items. Additional suppliers have been sourced to ensure ease for parents, competitive pricing, as well as an on-line ordering option. We have taken on board your comments regarding phasing in the new uniform.

Please see the new school uniform policy which is attached to this letter.

We have planned a uniform evening on 8th June, from 5pm to 8pm where you will be able to order uniform if you wish. We will remind you again nearer the time. The new uniform will be available for you to see in the school reception area for the next couple of weeks.

We have also tied this change in with the new logo for the school. The 3 ring design symbolises the 3-tier system, collaborative working with our local schools and links with the community. We feel it is a modern design which reflects a forward thinking school.

We are very proud of the improvements we have made at the school and will continue to have the highest of expectations for our children.

Yours Sincerely

Mrs D Wilks
Headteacher
