Dear Parents and Carers,

### Extra-Curricular P.E. Activities for the Spring Term

I am writing to inform you of the new term extra-curricular P.E. clubs which will be commencing on the 9<sup>th</sup> January and ending on the 31<sup>st</sup> March 2017. All sports clubs will start at 3.05pm and finish at 4.15pm.

The school, with your help, want to encourage all children to engage in the extra-curricular clubs on offer. The clubs are designed to be fun but still provide key teaching points to maximise pupils' learning and in many cases may result in playing for the schools teams. We aim to continue to build upon the school's already impressive sporting achievements.

To enable fixtures to take place without disrupting clubs, some of the clubs are subject to alteration should it clash with a fixture. Once again we have Planet Education to lead some of the clubs for the term (they are highlighted in the table below). For these activities the maximum number of pupils is 18, which we cannot go above. Therefore if those clubs are oversubscribed, we will have to choose the 18 pupils at random. If your reply slip is not with the school office by Wednesday 4<sup>th</sup> January, please understand that your child will not be considered for the Planet Education activities. You will be informed on Friday 6<sup>th</sup> January whether your child has gained a place in their chosen club(s).

The clubs are open to all standards of ability and we have worked hard to ensure there are a wide range of activities on offer for all year groups. We will do our best to give you as much notice as possible if a club is to be cancelled for that week, either by letter or text. It is most important therefore that we have up to date contact details for you.
