

Dear Parents and Carers,

14th June 2017

Sports Days 2017

Sports Day is fast approaching and I would like to take time to explain how these events will be organised. Monday 19th June for field events and Thursday 22nd June for track events.

It is our aim that every child will participate and play a part in the overall team results. There are a mixture of traditional and new challenges which the children have been practising within their P.E. lessons, along with extra-curricular clubs.

For safety reasons we are unable to accommodate spectators for the field events competition on Monday 19th June.

You are more than welcome to come along to support your children during the track events on Thursday 22nd June. You may bring a folding chair/blanket to sit on if you wish. Refreshments will be on sale throughout the day courtesy of our PTA "The Social Hub".

Monday 19th June – Field events competition

Your child will need to come to school in their P.E. kit. During the day they will attend at an allotted time to compete in their field event.

Thursday 22nd June – Running and Track events

Your child will need to come to school in their P.E. kit. They are aware of which event they are taking part in and will be able to let you know. The following are scheduled times, however, may change at late notice.

Please do not arrive more than 15 minutes before the start of each session. We would like to remind you that parking on the school site is limited and we ask that unless you have a disability, you park in the residential roads near the school in a way that is considerate to the local residents.

Should any child be unable to compete in the track events, they need to come with a signed note from their parent or carer to confirm the reason. Non-participants will still need to arrive in their P.E. kit to help out marshalling an event or managing their team.

We look forward to seeing you all on 22nd June and supporting this seasonal, annual event.

Yours sincerely,

Mr P McCalister
P.E. Teacher
