

Dear Parents and Carers,

7th February 2019

Warhammer Club

Your child has expressed interest in joining our Warhammer club. Warhammer is a table top war game that encourages young people to play together and to collect and paint their own models. To find out more please visit – www.games-workshop.com

During the club, members will learn how to paint and build these models to a high standard. This does require the use of tools, glue and paint, under supervision. However, we do ask for your permission for your child to use these items.

We will also document the sessions and the progress your child makes by taking photographs. These will occasionally be shared with Games Workshop for use in the International Schools newsletter and other publications, with permission from the parent or carer of the child.

The club will meet weekly on Wednesday starting on Wednesday 6th March, after school finishing at 4:30pm and will be based in the Resistant Materials room.

Please complete and return the permission slip below and return to the School Office by Friday 1st March 2019

Yours faithfully

Mr T Evans
Learning Support Assistant
