

25th June 2019

Dear Parents and Carers,

Report Follow Up Appointments

On Monday 1st July your child will come home with their end of year report. This report will inform you on your child's attainment, academic ability and attitude towards their learning. It will also include a personal comment about your child and a reflection comment written by your child.

Once you have taken the time to read and process your child's report we welcome you to ask any questions you may have. During this week (1st July to 5th July) your child's form and subject teachers will be available to discuss any queries you may have. We ask that you contact and organize this appointment directly with the form tutor, who will then notify the school office.

As always, we are very appreciative of feedback any comments about this process will be gratefully received.

Yours sincerely,

Miss J Palmer
Head of School
