

WEDNESDAY 1st MAY FROM 2pm

We would like to welcome you to the University of Broadstone Curriculum Showcase Day. The afternoon is packed with exciting events for you to visit and take part in.

Please arrive and leave via the **front entrance** to the school. Whilst you visit, guides will be on hand to direct you to where events are taking place.

During the afternoon, you are invited to visit exhibitions, pop up shops and our very own Italian Café, so do bring your pennies along to support the work your children have been engaging in.

A bell will signal the end of the showcase at 2.45pm. If you would like to leave with your children at this point, it is essential that they are signed out with their UBC teacher. Otherwise, they will remain in school until the end of the day at 3.05pm.

We hope you have a wonderful afternoon and enjoy the outcomes of your child's UBC module as much as they have enjoyed studying it! Please remember to sign our visitor's book before you leave, as we would really love to hear your feedback to help us plan the next Showcase Day.

Please be aware the following modules will have their outcome offsite. They will finish school at 3.05pm and will **not** be involved in the Showcase event this time:

Obstacle Race Course, Navigation and Child Development

Please note:

Following feedback from parents, we will be running the final showcase for this year on **Thursday 11th July at 9am** to accommodate those who are unable to make the afternoon events.

The Atrium

Cappuccino Stop

Opening times 2-2.45pm
