

Snapshots of the Week

Week: 8th July to 12th July

This week in **Year 5** we have all now completed our VR experience and had a fantastic time! This week we have also written to local businesses to ask if we can place one of our clay flowers in their shop windows – they are going to look beautiful! We have also been busy creating pencil sketches and pastel artwork of flowers.

This week in **Year 6** we have been busy creating our artwork to contribute to our outcome. The inspiration for our artwork is Banksy and this week children have been busy developing their artistic skills making stencils and getting to grips creating images with spray paint ... WATCH THIS SPACE!

Upcoming Events

12th/15th July Year 7 Butcher's Coppice Trip

17th July Year 8 Leaver's Trip

18th July Year 8 Leaver's Disco

19th July Last day of term!

YEAR 7

Mathematics: Y7 are continuing their work with corresponding, alternate & supplementary angles. They are using their knowledge and logical thinking skills in order to solve problems.

ART: Y7 have pieced together all of their mixed media prints and created crazy animals from cats to lamas! They have worked hard on their choice of colours and developed their skills in oil pastels to create the eyes of their animal. They are looking fantastic.

YEAR 8

Mathematics: Y8 are continuing to develop their knowledge of probability by undertaking probability experiments, recording outcomes, making hypotheses & testing them out. They are also creating their own probability games to meet specific outcomes.

ART: Y8 have been working tirelessly on their final piece of pop art. They have produced some incredible paintings and taken so much effort and time to perfect them. We have some budding artists amongst us!

After School Clubs!

All After School PE Clubs finish today, Friday 12th July at 4.15pm. No PE Clubs next week.

Monday 15th to Thursday 18th July – After School Homework club will run as normal (pick up by 4:30pm).

There will not be any after school club provision on Friday 19th July.

Excellent Events!

Town Sports

The 7/8 boys team finished in 5th position, the girls finished in 4th and combined in 3rd! We have 43 pupils competing and they put in a huge amount of effort throughout the day, whether jumping, throwing or running!

On **Friday 5th July** Mrs Curtis took our wonderful school choir to participate in the Beowulf concert at Poole Lighthouse. The children were impeccably well behaved and blew the audience away with their fantastic voices! Well done all you were brilliant!

UBC OUTCOME!

Our fourth and final UBC event was another great success! This time we trialled an early morning showcase and had a great turn out of parents and family members to support and encourage the pupils. Everyone gave it their all and up-levelled their outcome once again! Music video enhanced their end product by use of green screen, cake technicians were coaching their family members, cheer leading trialled some awesome lifts and navigation made it safely round Hengistbury Head. As always, it was truly wonderful to see the children absolutely enthused and excited to share their experience of learning with you. THANK YOU everyone who attended! You can now find the options for next year's UBC on our website, under pupils, University of Broadstone.
