

Snapshots of the Week

Week: 15th July to 19th July

Year 5 – This week in Year 5 we completed our clay flower tiles and my word they are stunning. They have been delivered to local businesses – keep an eye out over the summer to see them pop up in a local shop near you. The year 5s should be really proud of themselves creating such beautiful pieces of art!

Year 6 – This week in Year 6 we have been showcasing our fantastic Banksy inspired artwork! Graffiti banners mysteriously appeared across the school spreading a message to prevent plastic pollution. We would also like to wish the very best of luck to those pupils moving on to new schools in September. You'll be brilliant!

HAVE A WONDERFUL SUMMER!

Time flies when you're having fun...
We cannot believe we are at the end of another successful academic year. It's been a busy but brilliant year and we are excited to welcome our new pupils in September! This week, we have taken time to reflect on our 'best bits' and things we could improve or change going forward. We would like to thank our staff for the wonderful opportunities they have provided for our pupils this year, from school council to events such as JRock. We would like to thank our pupils for being such enthusiastic learners and fantastic young people to work with. Finally, we would like to thank our parents and the community for supporting us as a school – we could not do it without you all! Enjoy a well-deserved rest over the summer!
