

Dear Parent/Guardian,

Your child's school has opted in to be a part of a new initiative for Cannock, Create: Uniform Bank.

This was an idea birthed last year by some of our volunteers, we know how expensive kitting out our children for a new term can be. We decided to collect donations of uniform in good condition from our local school lost property and parents to wash, iron and distribute them back out to those that needed it. We had an overwhelming response and found that people also came along and used the service as a swap shop.

As a result, we were asked if we could make this available to more schools in the area. We put out an email to the schools and the following have responded:

Chadsmoor infant & Junior
Kingsmead
St Luke's
Bridgtown
Norton canes High School
St Peters
Littleton Green
Staff Uni Academy
Cannock Chase High
St Marys Cannock
West Hill
St Josephs
Pye Green Valley
Moorhill Primary

Could we ask for donations of uniform in good condition to be dropped off at the hub or to school prior to week commencing 16th July, which is when we will be collecting it all in to wash and prepare for the opening of the Uniform Bank which will be Wednesday 1st August 9 am – 2 pm this will then run each week until Wednesday 29th August.

For those wishing to use the service we will be opening up in the school holidays for collection, details of which will be added to our Facebook page facebook.com/createcommunityhub

We aim to come and collect all the uniform in the last week of term, if there is a preference to the day or time we come please let us know.

If there is a school that is not listed on here that you think might be interested please let us or them know so that we can get in touch with one another.

Kind regards,
