HOME-SCHOOL AGREEMENT

The Purpose of our Home-School Agreement

The Home-School Agreement sets out Cannock Chase High School's responsibilities towards our students, the responsibility of our parents, and what the school expects from our students and parents. This agreement encapsulates our belief that parents are a child's first and most important educators. It is designed to help achieve the highest possible standards of academic achievement, behaviour and attendance through close communication and effective partnership with parents.

The Home-School Agreement should contribute towards raising standards and to school effectiveness by providing a framework for partnerships between parents, students and our school.

The partnership promoted by the Home-School Agreement should result in:

- Better home-school communication (for example, regarding issues such as student academic progress, behaviour, rewards and homework);
- Parents supporting and helping their children's learning at home more effectively;
- The school and home working in partnership to ensure every child achieves academically and holistically in line with our distinct culture and ethos.

The Headteacher will:

Ensure that the Home-School Agreement and other significant communications with parents and students are reviewed regularly. Methods of consultation will include:

- Parental Consultation Forum (Friends of Cannock Chase High School);
- Informal discussion at Parents' Evenings;
- Surveys and questionnaires to parents at Parents' Evenings;
- Student voice feedback;
- Staff feedback.

Parents will:

Sign the agreement and ensure that their children complies with the responsibilities set out in the agreement.

The following associated policies apply to this agreement:

- Attendance;
- Behaviour;
- Uniform.

This Policy was reviewed in July 2019 and will be reviewed on an annual basis.
