

Unit 1: Summer Task

Life Stages and Stages of Development

Create revision aids to include:

- Major life events
- Holmes Rache Scale
- How life events can have a positive and negative impact
- How is can affect development

You can create your revision materials by designing...

- Revision cards, mind maps, posters, question cards (or however you like to produce revision material)
- **Remember to learn these for Master Mind Hot Seat first week back! (Just for fun to see what you know) 😊**
