

BTEC First Certificate in Business

How long is the course?

One year

Who is the course for?

Students who need another year to develop and support their understanding before starting a level 3 or A Level course.

Students who have an interest in why businesses operate in the way that they do, and who prefer coursework to exams.

How will I be assessed?

Two exams (One computer based one for Business Finance and one written paper on marketing).

Six pieces of coursework.

What could I do after the course?

Progress onto Level 3 BTEC qualifications or A levels or enter the world of work.

What else do I need to know?

Students will learn a practical range of business skills and have the opportunity to apply these to case studies and to their own business plan.

What will I be studying?

- Enterprise in the Business World
- Finance for Business
- Principles of Marketing
- Using Business Documentation
- Financial Planning and Forecasting
- Business Online
- Providing Business Support
