

Supporting Chase Bridge with Parent Skills

There are hundreds of invaluable resources that come into the school gates everyday and then leave again (that's you!).

It's been great to see so many people taking up the teachers' requests for help which went out with the Curriculum Overviews at the beginning of the year. Following that success we would now like to find out what hidden skills you all might have and then look at how the teachers and school can use them to help the children.

Do you have a burning passion for local history? Can you tap dance? Do you hold a mini bus driving licence? Can you make a quilt? Are you fluent in a foreign language?

You don't have to make a regular commitment and your input doesn't have to be during school hours.
