Think for yourself, act for others

Dear Parents/Carers/Other Stakeholders

As an important member of our school community we value your involvement in Cheney School Academy Trust (CSAT). As a Trust we have developed from a stand-alone academy to one which includes Cheney School, Bayards Hill Primary School and in the near future Barton Park Primary School. With this expansion and development, Trustees have decided that we should consider adopting a new name for the Trust. In particular, Trustees feel the name should be one which reflects our local community and educational provision as well as our development plans which form part of our 5-year strategic plan. More information about CSAT can be found at <http://www.cheney.oxon.sch.uk/Academy-Trust>.

Based on key elements of our vision and practice, our ethos is that our schools are at the heart of the community, working in partnership together to serve excellent outcomes for our pupils. Therefore, we invite you, as a member of our school community, to suggest a name for the Trust which encompasses this ethos. This process of involving our community in the development of the Trust also very much mirrors our way of working. All suggestions are welcome and will be considered at a future Trustee meeting. The final decision on the new name will be made by Trustees.

To send in your suggestion of a new name for the Trust please either email Miranda Giles at mgi@cheney.oxon.sch.uk or drop your suggestions into either Cheney School or Bayards Hill reception using the attached form. The closing date for receipt of suggestions is 9am Monday 14 November 2016

Yours faithfully
