### From Mrs J Kirby, Head

29 September 2016

Dear parents/carers

As you may have seen in the local press, a serious sexual assault on a school girl took place yesterday morning in Oxford.

Due to the nature of this attack, we have asked our students to be extra vigilant at this particular moment in time. We have advised them to walk together in small groups to and from school where possible, use their usual walkways, avoid alley-ways and not to wear headphones, so that they are fully alert. We have also asked students to report any suspicious activity to the school or directly to the police.

Should you have any concerns or questions, please contact your child's Head of Year or Assistant Head of Year or our Safeguarding team. All contact details are listed below:
