Think for yourself, act for others

Jolie Kirby, Head Teacher

24 January 2017

Dear Parents and Carers

Safety of Students

I am writing to update you about a few changes we are making to support the safety of students at Cheney school.

We are making slight changes to the use of gates for students arriving at school in the morning. This is so we have even better coverage of staff to meet and greet students as they arrive. The gates to the Assembly Hall will now be closed in the morning and students will need to use the Brighthouse or Russell Building entrances. The Assembly Hall gates will be open at the end of the day from 2.50 pm in the afternoon.

As you know, the roads leading to the school are very busy and congested, especially as we have additional roadworks at the present time. We are very keen that students cycling to school have protective helmets and we would like to ask for your support in this matter.

We recently contacted parents and students to make all aware of an excellent online resource, which includes advice and guidance to keep your child safe: www.lawstuff.co.uk, and I would also refer you to the Student Wellbeing and Safety area of our website at: <http://www.cheney.oxon.sch.uk/Student-Wellbeing-and-Safety>, which has useful information and links.

As year 11 and 10 complete their mock examinations, we have been very impressed by their conscientious attitude to their studies. We thank you for all the support you have given them.

Your sincerely,

Jolie Kirby
Head Teacher
