DRAFT

Anti-Bullying Policy

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also takes into account the DfE statutory guidance “Keeping Children Safe in Education” September 2019 and the “online safety June 2019”.

Policy objectives:

This policy outlines what Little Ilford School will do to prevent and tackle all forms of bullying. The City of London Academy (Southwark) is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form

Links with other school policies and practices:

This policy links with a number of other school policies, practices and action plans including the behaviour, equalities, teaching and learning and online safety policy.

There are a number of pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

1. The Education and Inspection Act 2006, 2011
2. The Equality Act 2010 o The Children Act 1989
3. Protection from Harassment Act 1997
4. The Malicious Communications Act 1988
5. Public Order Act 1986

Responsibilities

It is the responsibility of:

- The Principal to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility
- School Governors to take a lead role in monitoring and reviewing this policy
- All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly
- Parents/carers to support their children and work in partnership with the school
- Students to abide by the policy

Definition of bullying

● Bullying is “behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, July 2017). However, we recognise that a one-off incident could also be considered to be bullying behaviour

- Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours

- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos

- Bullying can be a form of peer on peer abuse and can be emotionally abusive; it can cause severe and adverse effects on children’s emotional development

Forms of bullying covered by this policy

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion, nationality or culture
- Bullying related to SEND (Special Educational Needs or Disability)
- Bullying related to appearance or physical/mental health conditions
- Bullying related to sexual orientation (homophobic bullying)
- Bullying of young carers, children in care or otherwise related to home circumstances
- Sexist, sexual and transphobic bullying
- Bullying via technology, known as online or cyberbullying

Academy ethos

- The City of London Academy (Southwark) community recognises that bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying, our academy can help to create safe, disciplined environment, where pupils are able to learn and fulfil their potential

- The Academy recognises that SEN and LGBTQ+ children (and children who are perceived as LGBTQ+) are especially vulnerable to bullying

- Sexual violence and sexual harassment are never acceptable and will never be tolerated – it is not an inevitable part of growing up

- We will not dismiss or tolerate sexual violence or harassment as “banter”

- We will challenge behaviour such as grabbing bottoms, breasts and genitalia. Tolerating such behaviours risks normalising them – they are potentially criminal Acts

- We understand that sexual violence and sexual harassment can be driven by wider societal factors, such as everyday sexist stereotypes and language

Our academy and its Community:

- 1) Monitors and reviews our anti-bullying policy and practice on a regular basis
- 2) Supports staff to promote positive relationships, to help prevent bullying.

- 3) Recognises that some members of our community may be more vulnerable to bullying and its impact than others; being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required
- 4) Will intervene by identifying and tackling bullying behaviour appropriately and promptly
- 5) Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- 6) Requires all members of the community to work with the school to uphold the anti-bullying policy
- 7) Reports back to parents/carers regarding concerns on bullying, dealing promptly with complaints
- 8) Seeks to learn from good anti-bullying practice elsewhere
- 9) Utilises support from the Local Authority and other relevant organisations when appropriate.
- 8) Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported to the academy:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern, the matter may then be passed on to the appropriate pastoral lead
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate
- A member of the pastoral team who has been Safeguarding trained will interview all parties involved
- The Designated Safeguarding Lead will be informed of all bullying issues where there are safeguarding concerns
- The school will inform other staff members, and parents/ carers, where appropriate
- Sanctions (as identified within the school behaviour policy) and support for individuals will be implemented, in consultation with all parties concerned
- If necessary, other agencies may be consulted or involved, such as: the police (if a criminal offence has been committed) or other local services through our Southwark partnerships (if a child is felt to be at risk of significant harm)
- Where the bullying takes place off school site or outside of normal school hours (including cyberbullying), the Academy will ensure that the concern is fully investigated. Appropriate action will be taken, including providing support and implementing sanctions in the Academy in accordance with the school's behaviour policy
- A clear and precise account of the incident will be recorded by the school on the SIMS Behaviour Module, in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken

Cyberbullying

When responding to cyberbullying concerns, the academy will:

- Act as soon as an incident has been reported or identified
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation
- Take all available steps where possible to identify the person responsible. This may include:

- 1) looking at use of the school systems;
- 2) identifying and interviewing possible witnesses;
- 3) contacting the service provider and the police, if necessary

- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:

- 1) Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content

- 2) Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and in line with the DfE 'Searching, screening and confiscation at school' and Childnet Cyberbullying guidance to ensure that the school's powers are used proportionately and lawfully

- Requesting the deletion of locally-held content and content posted online if they contravene the academies school behavioural policies

- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need

- Inform the police if a criminal offence has been committed

- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:

- 1) advising those targeted not to retaliate or reply;

Supporting adults in the workplace

Our academy takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of staff and parents, whether by pupils, parents or other staff members, is unacceptable.
