A Student’s Guide to Show My Homework

satchel:
Together through education
What is Show My Homework

Homework on your computer, phone and tablet!

A to-do list organises all your work for you.

Helps you manage your homework from wherever you are.
How Show My Homework can Help You

Keeping your homework organised

Sends you reminders for when homework is due

Helps show you how much homework you have

Keeps you up to date when you’re away from school

No need to write your homework down before leaving class

Let’s you message your teacher in private if you need help with your work
Your homework tasks are clearly laid out in Show My Homework with all the information you need to complete them.
Faster feedback from your teachers, including grades where required.

See comments from your teacher if they ask you to redo your homework and have the ability to reply.
Getting Started

1. Have your letter ready, showing your PIN and enter this and your school name, tick the Captcha box and click “Submit”

2. Create a password and either enter your email address or press “I do not have an email address” and click “Update details”

3. You will now be able to login with your email/username and password you created
Please all get your mobile devices out and download the Show My Homework App.

• Open the app and type in your school's name.
• Type in your email/username and password.
• You will be taken to your To-do List
• You can start using Show My Homework on the go
