

EPQ Induction Task: Get Research Wise

Key Skills

- Independent research
- Select reliable sources
- Summarise information
- Reference information accurately
- Creative thinking

Your Task:	<p>Provide three possible research questions for your EPQ research project. The questions need to be analytical and have a broad enough scope to allow you to develop academic research. For each question:</p> <ul style="list-style-type: none"> - Write a brief description of research subtopics - Background information (including statistical data) - Bibliography of sources used
Your starting point:	<ul style="list-style-type: none"> ★ https://doaj.org/ ★ https://scholar.google.co.uk/ ★ http://books.google.com/ ★ http://www.jstor.com/ ★ https://doaj.org/
How you will be assessed:	<p>Grade A:</p> <ul style="list-style-type: none"> → The topic to be researched is clear, specific and focused → All of the questions are related to future course of study → A wide range of academic and reliable sources have been used. → There is detailed evidence of thorough background research carried out → Accurate referencing. <p>Grade C:</p> <ul style="list-style-type: none"> → The topic to be researched is clear, but needs to be focused and more specific → All of the questions are related to future course of study at University → A wide range of sources have been used, and referenced accordingly <p>Grade E:</p> <ul style="list-style-type: none"> → The topic to be researched is too broad and vague → The question (s) need to be more analytical and less descriptive → Limited range of sources have been used. <p style="text-align: center;"><u>Please note plagiarised work will not be assessed.</u></p>
